HOLY GHOST AND US

People Are Amazed at the Wonderful Display of His Power.

THE HOLY GHOST A HELP TO ALL

With all the teaching that has been given in recent years concerning the third person of the trinity, I believe I can say truthfully that "the half has never yet been told." It is with a deep feeling of reverence that I commence to write upon this wonderful and glorious theme.

The time has passed for the Holy Ghost to be recognized as a mere influence that cannot act or speak. That He is a real person is too true to give any reason for the acknowledgement of anything else, but He has not had the proper prominence given Him by many.

In these last days, however, many are giving Him more recognition than usual. People are becoming much interested about Him, and when they go to searching it is easy to find that He is as surely recognized by the writers of Scriptures as God the Father and God the Son.

When Jesus was here He lived in a body like others, but when went He away His body disappeared in the sky and it has not been seen here since. He was made flesh and dwelt among men. (Jno. 1:14) But before He went away He told of the Holy Ghost that was to come, and for what purpose He was coming.

The Holy Ghost did not come with a body just like Jesus had, but He came to dwell in the bodies of men and women who have accepted Jesus, and been made pure and Holy by His blood.

He does not have an independent body as Jesus did, but He must live in the bodies of others. 1 Cor. 6:19.

This was demonstrated on the day of Pentecost when He came into the bodies of 120 men and women at the same time. It was also shown that when He took up His abode in them they all began to speak in other tongues as He gave them utterance.

The peculiar thing about this union, is the fact, that those people were real living,

with the sweetness and glory of heaven.

To see men walking and leaping and dancing by their own strength does not seem strange to people, but when God's children are exercised by the power of the walking, talking, moving, Holy Ghost, it seems more strange, and people are amazed at the wonderful display of His power. (Acts 2:12.) This was true at Pentecost, and it is just as true now.

Many people are becoming interested about the Holy Ghost. They read about

Him in the Bible, they preach about Him in the pulpits, they write about Him and their writings are published in some of the popular newspapers, they pray for the Holy Ghost to be sent upon people as in olden times, but when He does really come, walking, dancing, talking in tongues, taking up serpents, casting out devils, handling fire and displaying His power in many ways they often talk and act in a way that reminds me of the woman that ran and jumped upon a chair to get away from a little harmless mouse.

In the November 26 issue of Hearst's Sunday American published in Atlanta Ga. appears a strong appeal by Joseph M. Brown, former governor of Georgia, to the ministers and newspapers of Georgia to preach and publish more about the Holy Ghost. The honorable gentleman writes as if he had just discovered something new and is really amazed at his own discovery. He becomes so enthused with his subject that he ventures to set the

Sunday before Christmas as a day for ministers to preach from some text referring to the Holy Ghost, and calls on the pastor of every Christian church in his state to present this special theme to their congregations. Before the close he urges that special prayers be made for the gift of the Holy Ghost to be bestowed upon the entire state of Georgia.

This article is fine. The logic and Scripture references cannot be gainsaid. He shows along and accomplish much the personality of the Holy Ghost, honors Him as our teacher and guide, places Him much without us, for God as the third person of the trinity, and gives Him His rightful place in the economy of the Christian religion. I good news shall be filled with

hope the request will be granted, and that every pastor in Georgia will act on the advice of the honorable gentleman and preach about the Holy Ghost on the particular Sunday designated, but I hope too, that the honorable Mr. Brown himself and many others who have the theory will get humble enough to receive the Holy Ghost and talk in tongues as they did on the day of Pentecost. If they will only act upon their own instructions, Georgia will become a new state religiously.

I wonder if the ex-governor has ever witnessed the demonstration of the very subject of which he is writing so nobly. I wonder if he knows that every one that receives the Holy Ghost will talk in tongues I wonder if he knows what the people of Georgia would say if he should be the glad recipient of the gift of the Holy Ghost. I wonder if he knows that the Holy Ghost would lead him out of politics, out of lodges, out of popularity and into the Church of God if he should be baptized with Him and follow closely His leadings.

But there is no doubt in my mind but what it is the Holy Ghost that is stirring the dear man and prompting him at this particular time. The Holy Ghost is moving mightily in these days and I am looking for men like Mr. Brown to come out from the world, get sanctified wholly, and filled with the Holy Ghost and talk in tongues like the rest of us, and become members of the great Church of God.

Truly, the Holy Ghost is a help to all, and will do His part to bring men to Christ and save them from the eternal abyss of the damned.

In conjunction with God's children, the same original gospel of the kingdom will be proclaimed around the world by the Holy Ghost. The Holy Ghost and us working together will accomplish the wishes of Jesus, and

cause the light shine to away the darkness. We can't get along and accomplish much the personality of the Holy Ghost, honors Him as our teacher and guide, places Him much without us, for God as the third person of the trinity, and gives Him His rightful place in the economy of the Christian religion. I good news shall be filled with

the Holy Ghost. And all the way through it is God's plan for the Holy Ghost and us to work together to accomplish His will.

If the honorable Mr. Brown only had the power of the Holy Ghost upon him as he makes his appeal to the Georgia preachers he might accomplish something, but he will be a failure in his project as long as he has only the theory without the real walking, talking, dancing, moving, mighty Holy Ghost so it can be said, The Holy Ghost and us.

And all the preachers of Georgia might obey his call and try to preach from some text bearing on the Holy Ghost, but unless they are filled with the Holy Ghost and their messages inspired by Him it will be like "sounding brass, or a tinkling cymbal." The Word teaches that "The husbandman that laboreth must be first partakers of the fruits, (2 Tim. 2:6), and "Tarry ye *** until ye be endued with power from on high," then go and tell the joyful message.

As I write this, the blessed Holy Ghost seems to be singing in my inner being, as if He is pleased with the message. I do not object to such articles as the one by Mr. Brown, but if he really wants to accomplish something he should have the Holy Ghost and allow Him to display His power, and apply the truth to the hearts of those whom he wishes to reach. I wish to emphasize the importance of being filled with the Holy Ghost, so it can be said, the Holy Ghost and us.

in all our efforts to accomplish His will. Unless there is sufficient power of the Holy Ghost displayed to cause amazement there is little accomplished in the way of the salvation of souls, and the advancement of the kingdom, and the Church of God.

This is the time for pouring out of the Holy Ghost on all flesh, and He is working with people and preparing them for the mighty outpouring that is just ahead. I am expecting great things the coming year. We are approaching the greatest outpouring of the Holy Ghost the world has ever known. I am looking for multitudes to

Dear Brother Tomlinson and
All the Saints—Greetings
in Jesus' Dear Name:

I am praising God for victory in my soul. Jesus is so dear to me that I would like to tell all the world about it. I haven't no aim in life but to glorify God and be true to Him.

I want to get closer to Jesus and more like Him every day so much that the very image of Him will be seen in me.

Love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance were manifested in the life of Jesus and they will manifest themselves in the life of those who have the Spirit of Jesus.

I am more determined to follow Jesus today than I've ever been since Jesus saved me seven years ago.

I realize that the time is here when we've got to press on and get closer to God or give it up and be lost.

In Ephesians 5:14, 15, 16 we find "Awake thou that sleepest and arise from the dead and Christ shall give thee light. See then that ye walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil."

That is just what I want to do. Praise His name. Seems like I haven't done much for Jesus but I want to redeem the time as well as I can.

Jesus saved, sanctified and filled me with the Holy Ghost.

I'm poor in this world's goods but I'm a child of the King and laying up treasures in heaven.

Pray for your unworthy sister in Christ,

May Doss.

Foxworth, Miss.

Dear Brother Tomlinson and
All the Saints—Greetings
in Jesus' Precious Name:

I want to say since I last wrote you, that I have been sanctified and filled with the blessed Holy Ghost. Praise His holy and righteous name forever. Glad to say that I have a deep settled peace in my soul. Dear old Paul said in Heb. 4:1, Let us therefore fear, lest a promise being left us of entering into his rest, any of you should seem to come short of it. Dear readers I am indeed proud that I ever found this rest, glory to His name!

We are badly persecuted, but praise the Lord, He is giving us the victory over the devil. We are marching around Jericho and blowing the trumpet and the walls are trembling and crumbling down, glory to Jesus! The battle is on and raging furiously for Jesus and little by little we are gaining ground over the enemy.

We have a little band here on fire for Jesus. We have a membership of fifty-five and thirty-eight of them are filled with the Holy Ghost and some of the rest are sanctified. We held a cottage prayer meeting the other night and one of the sisters ran to the fire-place under the power and grabbed up a big chunk of fire and came back thru the crowd with it. It did not burn her hands nor clothes. Praise God! Hallelujah! Glory to His precious name.

I feel like going on. We have a great many worldly folks tell us that they already have the Holy Ghost but when they come at us that way we ask them do they talk in tongues and they have to answer no. Then we tell them that the Lord gives the Holy Ghost to everyone that obeys Him (Acts 5:32) and when the Holy Ghost is come He shall testify of me (Christ) and you shall bear witness. John 15:26, 27.

People are saying that they can't live here in this world without committing sin every day of their life, when God's Word says he that is born of God doth not commit sin; for His seed remaineth in him: and he cannot sin, because he is born of God. John 3:9. Then again he that sinneth is of the devil for the devil sinneth from the beginning. John 3:8.

Paul says know you not that you are the temple of the Holy Ghost, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God

is holy, (without sin) which temple you are. 1 Cor. 3:16, 18. Then again all sin committed is without the body. 1 Cor. 7:18. That doesn't sound like sin a little bit each day does it? He that commits fornication sinneth against his own body. 1 Cor. 7:18. Let me tell you, God says many will cry out in that day, Lord, Lord, have I not prophesied in thy name, and in thy name done many wonderful works? But to their surprise they will hear that awful denunciation depart from me you that work iniquity I never knew you, Matt. 7:21-23.

Well praise the Lord I am glad that the cloudy and dark day is passing by and that the dear old Church of God is again making her appearance, in full on the horizon. God's children have been scattered but now they are coming home. (Ezekiel 34:5) Haggai says that the glory of this latter house shall be greater than the former. Haggai 2:9. The people down here don't understand why we shout, we tell them when they get the Holy Ghost they can shout too.

When Jesus and the holy angels come they are coming with a mighty shout. Praise His holy name! I'm so glad of it I don't know what to do.

I can almost hear Peter saying in a rhyming language these are not drunk as you suppose seeing this is but the third hour of the day; but this is that which was spoken of by the prophet Joel "in the last days I will pour out of my spirit upon all flesh and sons and daughters shall prophesy, and your old men shall dream dreams, and your young men shall see visions." Joel 2:28.

I praise the Lord tonight because I'm living in the Holy Ghost dispensation. The latter rain is sure falling in these last days. Hallelujah! thank the Lord!

God said many would roam from sea to sea seeking His Word and that there would be a famine not of bread and water, but of His Word. Praise God! but in the last days it shall come to pass, that the mountain of the house of the Lord shall be established in the top of the mountains and it shall be exalted above the hills; and the people shall flow unto it and many nations shall come and say come, and let us go up to mountain of the Lord and to the house of Jacob; and he will teach us of his ways and we will walk in his paths; for the law shall go forth of Zion and the Word of the Lord from Jerusalem. Micah 4:1, 2

Well praise the Lord the

A REPORT

I am just home again from a quick trip to Mississippi to lay away our esteemed brother, Archie B. Adams, who departed this life, November 19, 1916.

He met death like a martyr, though he never thought till the very last that he was going to die. He thought all the while that he was arranging to get ready to go out to win souls for Jesus. But alas, it was to die.

"Know ye not that there is a prince, and a great man fallen, this day, in Israel," and "He died as the martyr dieth."

Brother Adams leaves a faithful wife seven brave little children who are "plodding the way our Father trod." They miss papa now but will meet him again some day where they will never say "good bye." He leaves an old gray haired brother and two sisters who mourn the loss of a dear son.

Archie has prayed manyayers and shed many tears for these dear ones and has "filled his day," and now will wait to see if they are coming. God grant that they are coming.

Archie met the old enemy, death, bravely and stood true until the very last. I felt strong when preaching the funeral, though in many tears, and the hope of a reunion seemed so certain.

Our brother J. B. Ellis stayed by him until he breathed his last. His faithfulness is greatly appreciated by all.

The friends at Gatewood, Miss., showed us no little kindness. They were at the funeral and gave of their means to help pay expenses. May the dear Lord reward their faithfulness. They all seemed to love Archie so very much. After the sermon was preached, many offered a tribute of respect for his faithfulness here.

The friends at Gatewood asked me to come and preach the memorial sermon the second Tuesday in May which I expect to do. Lord willing, and a meeting following.

W. S. Lemons.

Omaha, Ark.

Dear Brother Tomlinson:

I am praising the Lord for salvation that keeps me each day. It is joy unspeakable and full of glory. The Word of God is real food to our souls when rightly divided.

I am drinking from the fountain that never runs dry. Praise God!

Some of Our Weaknesses

Sam C. Party.

When we read of the mighty acts preformed by the apostles after they were filled with the Holy Ghost, we are filled with admiration and wonder, for indeed, marvelous things were done in response to their command or touch. Multitudes were thrilled by the power of God as they declared His wonders, and individuals were saved, filled with divine power or healed of bodily ailments, and the signs of the God of heaven accompanied them as they proceeded with their work.

But while all this was true, yet there were many human weaknesses manifested from time to time in those who were actually used of God. The careful Bible reader may notice these by following up the career of the apostles. Notice, we said "weaknesses." A weakness is not always a sin. It may be a frailty of the mind or physical body. It is perfectly natural that such should be encountered in the present world.

We are in a fallen world and while the human is under the control of the power of God in the experience of full salvation, still there are times when the human weakness show.

The closer we live to God and the more completely we are filled with the Spirit of God the less the human frailties will be seen.

But even in the very best men and women we have, there is at times more or less of the showing of some weakness or other, in expressing an opinion, giving a testimony, offering a prayer, or performing the service of God in general.

There is no denying that we are all given to some weakness or other. None knows, perhaps, so well, as ourselves what our special weakness is. With some it is one thing with another it is something else.

The best way to deal with our weakness is to keep humble before God, depending upon Him to give us grace to overcome them. The spirit of criticism, and judging others, and looking at their faults and failures should be avoided as much as possible.

If we would be overcomers and stand complete in all the will of God we cannot judge and condemn others. We should "bear the infirmities of the weak," be patient toward all men, and those who are overtaken in a fault, we should it possible restore, but in the Spirit

of meekness, "considering ourselves lest we also be tempted."

No doubt we are too quick, often, to condemn and set aside others and set them aside over some little matter. We do not know just what their peculiar weakness was, or what special difficulty they encountered.

We may some time need special consideration, and help, and to be dealt with gently and with consideration ourselves, then with what measure you mete to others it will be given to you. It often proves that those who are the most severe in dealing with others, are least aware of their own weakness, and sooner or later they are overtaken themselves.

We can't see why some Christians do this or that, and we can't understand why they can't get blessed along some lines that are so necessary, but if we will use patience in dealing with them perhaps we shall soon be able to see them overcome and mount above their difficulties.

We believe that by recognizing our weaknesses, and looking continually to God for help and guidance is the only safe place. So let us keep our whole being, "spirit, soul and body" as far as possible under the control of the Holy Ghost at all times and we shall be able to glorify God in all things, and come out more than conqueror. But do not forget that as long as we are in the present fallen world we have got to guard against the frailties and weaknesses of human nature, even after we have gotten to the place of usefulness in the Lord's service.

Dear Brother Tomlinson and All of God's Dear People:

I praise God because He has saved, sanctified and filled me with the Holy Ghost. I thank God because I am not ashamed to let the world know that I profess holiness, for without holiness no man shall see the Lord. Heb. 12:14.

I have been in this way of holiness only about six months and it is just as sweet as when I first received it and I have no desire whatever to turn back. I am persecuted but it only makes me stronger.

We have no Church of God close but I am praying God for one.

We all ought to be about our Father's business and

not sit with folded hands while there is so much to do.

Let us let our light shine wherever we may be that we may bring some one to Jesus. I know what He has done for me He will do for others if they only trust Him and believe for He is faithful who has promised.

I am trusting soul and body to God. I have not used any medicine since I received the Holy Ghost and when I get sick, I go to Christ on my knees and praise His name, I always find Him ready to heal this old body of mine.

Please pray for me, that I may stay low and humble at the feet of our Savior and also pray that my husband, who is dear to me, may receive this same salvation and also our three boys.

May God bless you all. Your sister going through with

Dear Brother Tomlinson and All the Dear Saints—Greeting in Jesus' Dear Name:

I am truly praising God for a wonderful salvation. Praise His name, He has saved, sanctified and baptized me with the precious Holy Ghost, and has taken all desire for the world and worldly things out of my heart. The greatest desire of my heart now is to live to please Jesus, get a closer walk with God, and be able to do something for Him. If we are not able to do great things for Jesus, we can let our light shine in the little corner that we are in. Bless His dear name.

Pray for me, that I will stay humble and true, and that I will get to the place where God can use me.

Brother A. J. Tomlinson:
Dear Brother:

I do thank God for being truly saved from all sin, sanctified and filled with that sweet Comforter, which is the Holy Ghost. Glory to God! Glory to God for His eternal Spirit that keeps me sweet in my soul.

I am still in this sweet and happy way, standing for the good old Church of God, and ever mean to stand until Jesus comes.

I beg the prayers of all the dear saints that I may ever stay low down at the feet of Jesus, until He comes, and that He may get the glory out of my life.

Your true sister in Christ,

Soddy, Tenn.

Greetings in Jesus' Precious Name:

Have just finished reading the little White Winged Messenger, and oh, how it fills my soul with glory to read the good news from every direction. Cry out and shout, thou inhabitant of Zion, for great is the Holy One of Israel in the midst of thee. I am so glad I, too, have this wonderful experience. Oh hallelujah to Jesus, bless His dear name!

The Church of God at Soddy is still marching on the upward way, earnestly contending for the faith once delivered to the saints.

We have a band of seventy-five or eighty members, most of them on fire for God. Paying tithes and trusting God for both soul and body.

Pray for me, dear readers, that God will use me to His own glory.

Yours under the blood of Jesus,

Dear Brother Tomlinson—Greetings in the name of Jesus our Lord:

I am praising Jesus today for His goodness to me. I was taken suddenly ill the 8th of April, just as I was preparing to go to my tent to hold services. Was exceedingly sick with a stroke of paralysis.

The Lord has seen fit to heal me, for which I praise Him. I am so glad we do not have to go for doctors or drugs when we get sick, but only to the Great Physician, and He heals by His mighty power. Praise His name. I have been quite weak since, not able to go out in tent work alone, or with a band of workers, as formerly. But the Lord has been very good to me, and let me be out with others.

I was with Efford Haynes and wife since May until August, and then onto Tennessee. Have been with brother Letsinger and workers at Concord, Tenn. Brother Wesley Letsinger certainly gives out the truth straight, and in the power and demonstration of the Spirit. The people came to hear, and best of all, God is getting hold of the hearts of some.

I am praising God for a full and free salvation, which was purchased for us by Jesus our Lord, and comes to us by faith and obedience.

Praise God for His unspeakable gift.

Yoursister in the faith, looking and longing for the coming of Jesus,

Lorena Cotton.

Dear Brother Tomlinson—Greetings to you in Jesus' precious name:

I am praising God this hour for salvation, to save, sanctify and fill with the Holy Ghost. It has been a long time since I sounded a note of praise to the Evangel family. But I wish to let them know I am yet at the front fighting for the Lord. The battle is strong, but victory is ours. We are yet encouraged to go on.

We praise God for such an overseer like brother Padgett who knows the people. We are glad to see how the Lord has blessed the work, since he has been with us, and pray that he will be rewarded. I know he will not on this side according to 1 Tim. 4:5-8. I am praying for him to come back to us again. We look to him like a father, and it grieves us to be without him.

We are getting along finely in the Bahamas. The Lord is blessing us wonderfully. It will make you shout to come back to the Bahamas. I remember the morning about six years ago, when you stood on the dock, with your little crew waiting to embark to Cleveland. Look back at that time, and look at the number of saints today. You would shout to see how wonderfully God has been working here.

We have built a tabernacle for camp meeting, 55 feet long by 25 feet wide. We expect to dedicate it soon. We only wish you were there with brother and sister Barr, sister Bower and brother and sister Evans to sing and preach for us. You being the first to sow the seed, which has made us so happy today.

Pray for us, that God will ever use us to His glory.

Dear Brother Tomlinson and Saints—Greetings in Jesus' Name:

I praise God for showing me the way. I thank Him for sending brother Hadcock down here to open the people's eyes. I thank God because my eyes were opened.

Pray for me that I may have more faith to be sanctified and filled with the Holy Ghost.

I pray that the Lord will send some one here to hold a meeting. We need some help for there are only a few of us and the devil sure is working.

Your brother,
Oscar Landress.

THE CHURCH OF GOD EVANGEL

Hixson, Tenn.

Dear Brother Tomlinson:

I want to praise God for this great salvation. It brings love, joy and peace to my soul. To have the sweet abiding Comforter is what I have looked for so long even when I was a small boy, and thank God, I have found it. I have often thought there was a Church of God, and there is, and that is the right way, the holy way. I always said a man was a sinner or Christian.

As I failed to find any one who had what the apostles had, I went to Ridgedale six years ago, and heard brother J. L. Scott preach the Word also heard some sisters talk in tongues, and felt sorry for them. I said they are liable to hurt themselves. But I found this was Bible, though I wondered at it all, but said we have to take the Bible. Glory to God!

My mother had been attending the meeting, and she was taken very sick, so had the sisters to come and pray for her. She was healed, so I believed still stronger. Was so low we thought she was going to heaven. She called me to her bedside and said, "Son meet in heaven." I said "Mother, I will meet you." But in thirty minutes, she was healed, and up talking, as well as ever. Was also sanctified that night. I knew then it was the power of God.

After hearing brother Anderson and wife preach I began to tarry for the baptism. So last November while at the Assembly, the Lord filled me with the Holy Ghost, and oh what love and joy that came into my soul. Oh how wonderful it is to have this great experience. After receiving this wonderful experience, the Lord called me to preach His glorious gospel. So am out holding up Jesus to a dying world.

Brother M. W. Ricketts and have closed a meeting near

ir View, where the Lord worked with sinners. This gospel had never been preached there. While no one was saved, yet there were hungry hearts. I want to go back. Glory to God! I want to see lost souls turn to God. Oh, if lost souls could see their awful condition.

It was my mother's prayers that saved me. My father is a sinner. Mothers, you might save your boys from a devil's hell. My mother caused me to be where I am today, and I praise God for her. It brings tears to my eyes to think how good my dear mother was to me. How she prayed for me.

I want all the saints who

read this to pray for my father to be saved, and baptized with the Holy Ghost.

Your brother in Christ,
Clarence Guire.

Dora, Ala.

Dear Brother Tomlinson and All the Saints--Greetings in Jesus' sweet name: I don't know how to praise the good Lord for His goodness to us.

On the 27th day of August I was taken suddenly ill after coming from Sunday school, with something like lumbago. My husband helped me to bed. I thought after resting awhile probably I would be alright but instead I got to where I could only move my head and fingers. I spoke to husband and told him something would have to be done.

A friend who was sitting there suggested getting a doctor but my husband told him no. I then told him to get someone to come and pray and very soon five of the saints come and prayed and I turned over in bed, got up and walked a few steps, but I got bad again and that night quite a few saints come and prayed again. I got up again, praise God.

The Word says as your faith is so be it unto you. I had felt for some time that my faith was going to be tested and it was. I had to be turned in bed for several days but thank the Lord I am up now.

"Oh, how sweet to trust in Jesus,
Oh for grace to trust Him more."

During that two week's sickness the enemy didn't even try to get me to take any medicine.

Pray for me that I may be healed of troubles with which I have been afflicted for over eight years.

Dear Brother Tomlinson and All the Dear Saints of God--Greetings in Jesus' dear name:

I am praising God for victory in my soul today. We have meetings here in the homes, and the Lord sure is manifesting His love toward this place. We had meetings at my home, and the dear Lord was in our midst. I gave out the Word in my weak way, and the power fell. Four were saved, three sanctified, and such dancing, shouting and talking in tongues. We praise God in the highest. I mean to fight on and do all I can for Jesus.

Glory to His name!

I want all the saints to pray

Knoxville, Tenn.

Dear Brother Tomlinson and Saints:

About fourteen months ago I received the baptism of the Holy Ghost and I praise God for His keeping power. I have a friend that is far better than any earthly friend. He gives me joy in my soul.

I want the saints to pray for my dear feeble father and mother. They are both unsaved and it seems that they haven't long for this world and it would be so sad to see your dear ones laid under the cold clay without being prepared to meet Jesus.

I thank God because He can keep me through all of my troubles. I have been alone for three months. My parents are thirty miles from me and my dear husband has forsaken me. I ask the saints to pray that God will lay His hands on him and make a kind and true husband out of him. I long to see him on the run for heaven. Oh how sweet home would be if he only had Jesus. Home would be heaven to me.

I have three brothers and one dear sister that I would like to see saved. It seems as if my heart would burst when I think of the lost condition my home is in.

Pray for me that I may be ready to meet Jesus.

Your sister in Christ,
Lula Satterfield.

HOLY GHOST AN US
From page 1.

be swept in under one sermon. I am fully expecting great congregations to fall under the mighty power of the Holy Ghost as hay before the sickle. Pray and believe. It will surely come.

"Though it tarry, wait for it, because it will surely come, it will not tarry." (Hab. 2:3.) My soul is fired up at the very thoughts. What will it be when the flood tide of the outflow of the Holy Ghost reaches its highest pitch, and the glory flows like oil? Hallelujah!

Fire up brother, and let us fire the world with gospel truth until every hamlet, village, town and city will be compelled to accept or reject the glorious good news of the Holy Ghost and His power. Hallelujah! Hallelujah!! Hallelujah!!!

for this town. Though the devil is raving, the Lord is with us. Pray for us here that we may stay at Jesus' feet, and do His will.

Dear Brother Tomlinson:

I want to add my testimony to the "Little White Wined Messenger," to let others know what God has done for me. A little over two years ago the Lord really called me from darkness unto light. I am one saved from sin, sanctified and baptized with the Holy Ghost, the Bible evidence of speaking in other tongues, as the Spirit gave utterance. Praise the good Lord.

I have never regretted it one moment; because I don't find any fault with this high-way of holiness. No sir. Its one continual joy. Glory to God, its so sweet to trust in Jesus. He is so good to me. Praise His sweet name!

Two months after the blessed Holy Ghost came to stay, the death angel visited my home, and bore my darling husband home, leaving us a home, with two little children, which I presented to the Lord. The Lord does provide for them. Bless His name. Since the death of my husband I have had many hard fights with the devil; but my Savior made me conqueror. Praise the Lord, "I am going to overcome by the blood of the Lamb." Hallelujah!

I am a member of the Church of God. I ask the prayers of all the saints, that God will keep me in the center of His will.
